About MAEER

Maharashtra Academy of Engineering & Educational Research (MAEER) was started in year 1983 by Prof. Dr.Vishwanath D. Karad, Founder, Executive President & Managing Trustee, MAEER's MIT Group of Institutes. Spread over a sprawling 54 acres, MIT is the most preferred destination for over 54,000 students every year. MAEER MIT's journey in the last 34 years has been a continuous process in the pursuit of quality & excellence in education and research, a commitment to values and discipline education. The state of the art infrastructure, competent faculty, strong interaction with leading corporate professionals, student centric amenities and spectacular campuses, all provide a conducive environment for teaching, learning, research, innovation and character building. MAEER encompasses 71 institutes in the field of Engineering, Management, Pharmacy, Medicine and Political Leadership Programme (Master's Programme in Government). Since its inception Global Thought Leaders are associated with us and our educational institutes are ranked by NIRF, accredited by national agencies like NAAC and NBA, which led to creation of Centre of Excellence.
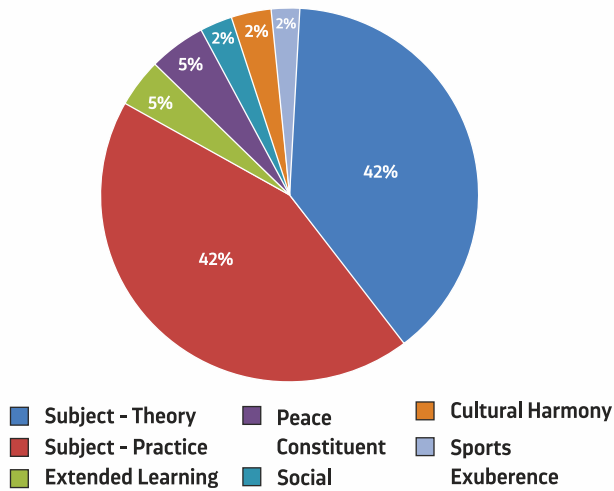

About MIT-WPU

Dr. Vishwanath Karad MIT World Peace University is State Private University. For centuries, India has been the apostle of knowledge and peace. MIT-WPU has been built on this philosophy. MIT-WPU is focused on being the change that is needed in the world today by sensitizing and understanding the human dimensions of conflict, and developing a toolbox of transferable skills such as negotiation, peace building, technology and management. These skills will enable graduates from various diverse programmes to succeed in peace building. Our students will be in the best position to bring about consolidated change for positive growth, development and social inclusion. An aspirational university for students searching for a world class education - Scientists, Researchers, Scholars, Academicians, Philosophers, Technocrats, Successful Entrepreneurs.
Dr. Vishwanath Karad MIT-WPU is a Flagship University sponsored by MAEER's MIT Group of Institutes, which has over 100,000 alumni all over the world.
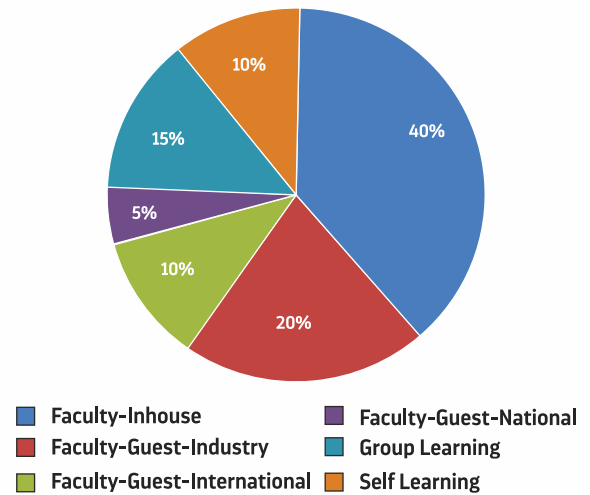

WPU Method

World's first University that let student choose branch over a year after multiple mentoring sessions.
Revolutionising curriculum to make it Industry Centric:

- **Academic Credit System (ACS):** Flexible Credit System allowing students to customize their edification after firm foundation, by opting for an appropriate track
- **Continuously Updated Education (CUEd™):** Continuously Updated Education is a way of ensuring effective learning @ MIT-WPU. The CUEd System expedites adapting the latest development in each subject into the real time learning-teaching
- **Research Collaborations:** Alignment with the premier national and international research organisation across sectors - private, public & NGOs
- **Industrial Collaboration for Internships:** Partnerships with over 1200 organisations across sectors for 6 - 12 months
- **Faculty:** Nationally and Internationally acclaimed faculty and research scholars
- **Faculty Team Teaching:** 50% of the Classroom Sessions will be engaged by two or more faculty members jointly for effective learning
- **Digital Learning Technology:** Transforms teaching and learning for improved understanding, retention and application
- **International Programs:** A variety of Global Programmes across all continents
- **Peace for Holistic Development:** Shaping winning personalities of students through focus on Human Skills for personal as well as spiritual development resulting in social inclusion and social innovation
- **Sports Culture for Peace:** Talent search and nurturing sports spirit while providing opportunities through sports facilities to all the students, encouraging them to participate at National & International Sports
- **Social Missions:** Inculcate Social Responsibility in students by activities oriented around the United Nations' 17 Sustainable Development Goals
- **Alumni involvement:** Handholding, Scholarship Support and Experience sharing by Alumni through mentoring and providing networking opportunities
- **Fostering Entrepreneurship:** A culture that promotes and inculcates entrepreneurial thinking in students, backed by research labs and incubation centre
- **Life @ MIT - Beyond Classroom:** Exceptional avenues made available to students for engagement and for showcasing their talent through plethora of extra and co-curricular activities
- **Career Services:** Campus placements at reputed Indian organizations & MNCs
- **Scholarship** for Meritorious Students: Needy and intelligent students are supported

- Veritas

- Nvidia
- Network 18
- Sakaal Group
- Saam TV
- IBN Lokmat
- NDTV

- TV 9
- Setu Advertising Agency

Life @ Campus

With due respect and importance to the IT revolution and being a technological institution, MAEER's MIT Pune has taken all the steps to equip its students with all the advantages this revolution has to offer. With its help we have transformed MAEER's MIT Pune campus into a true e-campus with a total of 400 computers connected with fiber-optic backbone networks and server-client technology. The e-campus comprises of a state-of-art Internet Centre which remains open for 24 hours and has been connected with a 4 MBPS leased line through ERNET which facilitates high-speed internet access and uninterrupted connectivity throughout the campus.

We take every effort to encourage our students to participate in various social, cultural and sports activities. The college has its own cricket, football and volleyball ground. It also has 1500 sq. ft. modern style well equipped gymnasium. Table Tennis, Carrom and Wrestling facilities are also provided. Our students have participated and won number of prizes at Inter-Collegiate, University, State and National levels. MIT Pune has successfully organized several sports tournaments including Inter-Engineering Athletic Meet, Cricket, Basketball, Volleyball, Table Tennis Tournaments, Zonal level Boxing, Badminton, Chess tournaments and Inter-Professional College Volleyball, Basketball tournaments, and so on. Summit - A National Level Inter-Engineering Meet Robocon
